

Message regarding 11-months perks arrear application

All applications with change in bank details from earlier salary account have been checked by us with respect to the bank details filled in application with that mentioned in the cheque/copy of passbook attached. So far we have found around 50 mismatch cases whose applications are being reset for making necessary rectification.

Though it has been checked by us, claimants are also requested to check it in their own interest to prevent payment in any wrong account.

Regards,

Team HR, BSL.
