

SAIL MEDICLAIM POLICYHOLDERS ONLINE CONSULTATIONS WITH PRACTO COMPANY

MD India has entered a strategic partnership with the esteemed Healthcare Online Consultation Platform - “Practo”. The app is available in Play Store.

In line with this partnership, MD India has already dispatched an informative email to all our valued users, containing comprehensive details on how to make the most of this collaboration.

This innovative facility brings an array of benefits to all Mediclaim users. They will now have the privilege of accessing Video Consultations with over 20 specialized medical fields, all of which are covered under the SAIL Mediclaim Policy at absolutely no cost during the policy period.

Awareness campaigns and tutorials shall also be conducted on the Practo platform, both online and in person.
